WEST SIDE EVENTS.

Republicans Clubs of This Side Will Form the Second Division of Tonight's Parade—W. S. Meers, Marshal.

The West Side Republican clubs will be known as the second division in tonight's parade. They will form first on the West Side and will afterward march to Mulberry street by way of the Linden street bridge. This will be somewhat of a parade in itself and the idea of crossing the bridge is something new. The order of formation for the West Side clubs is as given: West Side Central, Jackson street, right resting on Main; League, Main avenue in front of headquarters; Fifteenth Ward club, Main avenue; Bellevue Heights, Main avenue; Fifth ward, Third district.

The marshal of this division will be W. S. Meers, president of the West Side Central club. His mounted aides and captains will be: Central, T. P. Daniels, captain; F. B. Reese, W. T. Sprague; League, C. E. Oliver, William H. Morgan; Fifteenth ward, H. T. Fellows, captain; William Jenkins, Daniel Morgan; Bellevue Heights, Herbert Noble, captain; Fifth ward club, Chester Cammer, captain; George Evans, Richard Morgan. The Luzerne Street club may also participate in the parade. Mr. Stafford is president. Every member of the West Side Wheelmen is requested to be at the club rooms at 7 o'clock to join in the parade. The start from Hyde Park will be made promptly at 7:30 o'clock, by order of the marshal.

ATTORNEY WARD RECOVERING. Attorney Douglas Ward, son of ex-Judge Ward, of North Sumner avenue, has recovered from an illness which was more serious than young Mr. Ward's friends were aware of. Newspapers have not reported before this that Mr. Ward met with an accident. Over a month ago, in the night time, he was driving on Madison avenue. In stepping out of his carriage Mr. Ward's foot caught in the lap robe and he fell forward to the sidewalk. As it happened, surgeons had during the day previous driven a sharp pointed stick into the ground and the pointed part protruded from the ground about five inches. Mr. Ward fell upon this, the stick entering his right side between the lower ribs. The case was at first pronounced hopeless, but a physician from Philadelphia was called, and after undergoing a delicate operation Mr. Ward recovered sufficiently to be about again.

DISGRACEFUL SCENE. A case of utter degradation, and the names of the persons concerned cannot be mentioned, to save them from further disgrace, was heard before Alderman John yesterday morning. The Tribune briefly told in yesterday's issue of the arrest Sunday night of two men and a woman in the vicinity of the Oxford breaker. The men arrested are well known and are of respectable families; the woman is married and her two young children were with her when arrested. It was nearly midnight, word came to the police and when Officers Peters, Garroll and Jones went down they found the two children hammering at the door of the shanty where the two were. The Alderman yesterday fined one man \$10, the other \$8; the woman was allowed to go free and the two children were sent to St. Joseph's orphanage by order of Mrs. Duggan, agent for the Board of Associated Charities.

FUNERAL OF MISS MATTHIAS. The funeral of the late Miss Margaret Matthias took place yesterday afternoon. Services were held at the home of the deceased's parents, Mr. and Mrs. Daniel Matthias, of Price street. Rev. T. Bell, pastor of the Plymouth Congregational church, preached an eloquent funeral sermon. He referred to the age of the departed; how she had been taken in the bloom of womanhood. The floral offerings were very handsome. Those who served as pall-bearers were John Rogers, Pryor Thomas, Harry Thomas, John Stover, Charles Phillips and Thomas Ashton. Interment was made in Washburn street cemetery.

THOMAS J. JAMES BURIED. Services over the remains of the late Thomas J. James, who was killed by an accident in the Mount Pleasant mine, took place yesterday from the Sumner Avenue Presbyterian church. Rev. John Griffiths preached the sermon. There was a large concourse of friends present. The pall-bearers were: William Hughes, Frank Deltrick, John Snyder, William Williams, John James and Louis Hughes. Interment was made in Washburn street cemetery.

OFFICERS INSTALLED. Lady Crozier lodge, American Protestant association, held a public installation of officers last evening in their rooms at Ivorite hall, on South Main avenue. The officers installed were: Mrs. Becker, president; Miss Bassett, vice president; Mrs. House, financial secretary; Mrs. Piper, recording secretary; Miss Margaret Williams, assistant secretary; Mrs. Hannah Davis, treasurer; Mrs. Cromwell Jones, chaplain; Mrs. Annie T. James, conductress; Mrs. Elizabeth Roberts, assistant; Miss Jennie Jones, inside stewardess; Mrs. Mary J. Harris, outside stewardess. Ice cream and cake were served afterward.

RECEPTION OF MEMBERS. On Thursday evening Keystone lodge, Loyal Knights of America, will receive a reception to the members of Hartman lodge, No. 42, who recently amalgamated with the former. No. 42 has been in existence but two years and the members labored diligently for its success. However, there being two other lodges of the Loyal Knights in America on this side it was very difficult for them to increase their membership roll, the other lodges offering bigger inducements, and after a short time the members lost interest and the lodge was rapidly decreasing. Their door was fast approaching and at the last session of the grand body they intended to amalgamate with No. 42, which was granted them. An excellent programme has been arranged and cigars will be passed. All members are urged to be present.

DEBATE FRIDAY NIGHT. A debate will be held in the Simpson Methodist Episcopal church, Friday evening, under the auspices of the Simpson Social circle, composed of the ladies of the church. The topic for discussion is: Resolved, That Cuba should be granted Independent Rights. The affirmative will be sustained by Attorney John R. Edwards, Howard Davis and W. G. Moser. The negative will be sustained by Attorney C. E. Oliver, Attorney George L. Peck and Prof. H. L. Morgan.

Terra Jones, daughter and only child of the late Mr. J. Terra Jones, died at Hazelton from the effects of injuries received in a train wreck at that place. They left immediately for Hazelton to attend the funeral. Miss Charlotte O'Malley, of Clark's Green, has returned home after a visit to Mr. M. F. Wynne, of Jackson street, 124 South Main avenue, last evening and transacted business. The latest and best styles, Roberts, 124 North Main.

The speakers will include Governor Hastings, at all times a favorite orator; General Latta, eloquent and witty; General Reeder, scholarly and effective; Colonel Harry Hall, apt in anecdote and illustration; and Mayor Warwick, of Philadelphia, who is one of the best speakers in the state. SOUTH SIDE NEWS.

Want the Polling Place in Misooka Changed Again—Harry Kelley's Foot Crushed.

A petition is in circulation in Misooka to be presented to the court asking that the order made last week designating the Costello lot on Main street as the location of a temporary structure for a polling place be set aside and some other place fixed. For a number of years the polling place was in St. Joseph's hall, which was burned down last March. A new hall is in process of erection, but the society is not willing to allow it to be used until the members have received the rental from the county is very insufficient to compensate for the amount of wear and tear involved. The petition to change the Costello lot is on the ground that it is not centrally located and will work an injustice to voters from the lower part of the district, those living in Miner's Hill. The majority of the voters, however, live within a radius of four blocks from the Costello lot.

BOY'S FOOT CRUSHED. Harry Kelley, son of Mrs. Dennis Kelley, of Pittston avenue, was painfully injured yesterday afternoon at the South works. His left foot was caught between the cog wheels of the small stationary engine in the rail shed. He is about 19 years old and was employed near the engine. The accident is not serious enough to necessitate amputation, nor it may not disable the member. He is now resting comfortably at the Moses Taylor hospital.

DEATH OF A NONAGENARIAN. Mrs. Mary Flynn, of Beech street, passed away Sunday night at the age of 91 years. She had been in good health, but was unable to get up until a few days ago. Her home life was with her daughter, Mrs. McGuire. The funeral will be held this afternoon at 2 o'clock. Services will be held at St. John's church and interment will be made in Avoca Catholic cemetery.

BLAZE ON PITTSBURGH AVENUE. One evening last week some one set fire to an old company house on upper Pittsburg avenue and an alarm was sent in from box 59, but before the fire companies arrived the building was water extinguished. The blaze, which Sunday night a match was applied to it, and it fed the flames until 1:30 o'clock yesterday morning. No alarm was sent in because the house was only good for firewood, and there was no danger of its setting fire to any other building. It burned for several hours, and caused many to think a conflagration was raging outside the city limits.

SHORTER PARAGRAPHS. Mrs. Patrick Flannery, of Misooka, is seriously ill. There will be a sermon and benediction of the Blessed Sacrament this evening at the "Four Hours" Devotion in St. Mary's Polish church. It will end with a high mass tomorrow morning. There was a sermon and benediction last night. It attracted a large attendance and Rev. Father Dembinski, the pastor, is pleased.

Charles W. Stone and Frank Moeller have located a new coal seam in the South Washington avenue and will fit up the coming winter as a skating park. Water will be pumped into it from the Lackawanna river. Misses Virginia Hubbard and Lillie Gingle, of Pittston, have returned home after a visit with Misses Lizzie and Bernetta Kelley, of Irving avenue.

James Coggins, William Mayock, John Hastings, John Gilbride, Joseph Ruane, Owen Walsh, of the South Side, Patrick Phillips, Patrick Lowry, and Patrick Flannery, of Misooka, are players so far secured for a new foot ball organization to represent the south side, which is being organized, will push forward for the championship of the county.

AN EXCELLENT INVESTMENT. The Spring Brook Water Supply Company Offers Bonds for Sale. The bonds of the Spring Brook Water Supply company advertised on another page are especially worthy of attention. This company supplies all of the cities between Scranton and Nanticoke with pure water and during last summer spent nearly half a million dollars in plant and equipment. It now has an inexhaustible supply of water and is in a position to provide for the growth of this territory.

The bonds are free from taxes and are secured by a mortgage of the entire system of the company and at this time should be peculiarly attractive to investors in search of an investment which, more than almost any other class of investments is free from fluctuations or the possibility of decreasing in value.

Y. M. C. A. ELECTION RETURNS. Will Be Received by Special Wire Next Tuesday Night. Election returns will be received otherwise than under the auspices of Democratic, Republican or other political management. General Secretary Mahy, of the association, has arranged for a special wire over which will be clicked direct to the association a complete bulletin of the returns. This is a new feature of Young Men's Christian association work, and it is expected to accomplish two results, to give without cost to the members some valuable information that will be eagerly anticipated and to counteract the effect of saloon and billiard hall bulletins.

Don't Miss It. The great auction sale of watches, jewelry, clocks, musical instruments, etc., at David Bro's, is the talk of the town.

LETTERS FROM THE PEOPLE.

FIFTH WARD REPUBLICAN CLUB

Editor of The Tribune. Sir: There appeared an item in the News of this morning which in our opinion was intended for mischief-throwing at the newly organized Republican club of the Third district of the Fifth ward. The item in question set forth a McKinley Sound Money club had been organized at the French Roof hotel on Tuesday evening of last week. It is not so. There was one organized on the said evening in the hall of the French Roof hotel. There is a difference between meeting in a hall and in a hotel. It further asserts that there was another meeting held on the following Thursday evening. True there was, but it was not one of the members of the same named in the Scranton Tribune of last Saturday. A good time was had and good speeches were made by several of the members present, and, by the way, there was one held on last Saturday evening, when Hon. John R. Farr and Dr. W. Morgan were the speakers of the evening. Yet another meeting was held last night and the number of members is increasing every meeting. If this is not promising as the News claims that it is not, we would be glad to be informed by the writer of the item in question what would be the further status of the club's organization is a little too suggestive of an unseen power behind it. Why does it not exist? We are glad to know, if it is not from the fact that the executives are hard and honest workmen. The president, Mr. George W. Evans, is a carpenter, and works at the car shops every day. The vice-president, Mr. Richard Morgan, and the treasurer, Mr. John Merchant, are both engineers at Price's mine and both gentlemen are held in high esteem by their fellow-workmen and their acquaintances in general. The secretary, William Glasser, is one of the most promising young men of the town, coming of good parents; and all the club, in fact, is made of the same kind of men. We shall prove it this evening in the grand turnout.

Why, then, should anyone resort to the pen and the wall newspaper? For our own part, we rather refrain from such doling lest we may get our hands dirty in the operation. We hereby advise the members of the club to meet at the club on Saturday evening, the 27th inst., at 8 o'clock, as far as politics are concerned.

D. W. Morgan, 1507 Washburn street.

Mr. Costello Makes a Statement. Editor of The Tribune. Sir: In the Misooka correspondence of the Tribune Monday there is a statement in relation to the polling place in the Misooka district of Lackawanna township that Luke O'Boyle, executor of the Costello estate will not permit the citizens to testify on the subject. The court last week designated the lot on Main street, Misooka, as the location of a temporary structure for a polling place in the South side of this city. I wish to state that all persons interested in the Costello estate and the voters generally of the district, except a few near the polling place, are satisfied with the change. The arrangements to occupy the lot were made with my full knowledge and consent.

Thomas Costello, For the Costello Heirs.
